**SUPPLEMENTAL RESPONSE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This paper responds to the January 12, 2007 Office Action, with a period of reply through May 12, 2007, pursuant to a one-month extension of time.

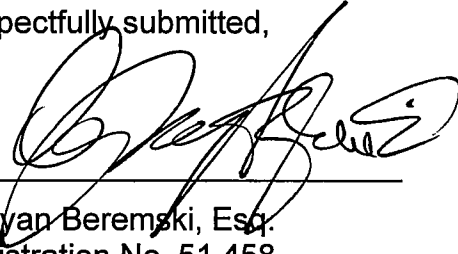

The January 12, 2007 Office Action states that the 12/9/05 supplemental declaration and the original declaration are defective. As a result, claims 34-40 and 192-220 were rejected. **The January 12, 2007 Office Action further recommends that the Applicant files a Supplemental Reissue Declaration to cure the above-stated deficiencies, before the reissue application can be allowed.** See the January 12, 2007 Office Action at page 2.

In a May 8, 2007 telephone conversation between the undersigned Attorney Beremski ("Attorney") and Examiner Lee, the Attorney pointed out that **the requested Supplemental Reissue Declaration was in fact submitted by the Applicant on July 5, 2006, together with a Supplemental Response.** More specifically, on July 5, 2006, the Applicant submitted form PTO/SB/51S ("Supplemental Declaration for Reissue Patent Application to Correct "Errors" Statement), which corrected the "Errors" statement and was also signed by all inventors. The Examiner is kindly referred to the July 5, 2006 Supplemental Response and Supplemental Reissue Declaration for further clarification.

The Applicant kindly requests the Examiner to telephone the Attorney if any additional questions arise. **The Examiner is also kindly requested to change the Attorney Docket number to 13470US02 effective immediately.** The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to the deposit account of McAndrews, Held & Malloy, Ltd., Account No. 13-0017.

A Notice of Allowability is courteously solicited.

Respectfully submitted,

Ognian Beremski, Esq.
